Reference: Contract RD-132, Task Order No. 23

SUBJECT: Request for Extension of Completion Date

Gentlemen:

As a result of a meeting with your technical representative on April 21 and 22, we have been asked to submit this request for an extension of completion date for Task Order No. 23. The present completion date is 4 May 1960; we request an additional forty-five (45) working days or 6 July 1960.

The purpose of this extension is to:

- 1) allow time to make changes in the content and format of the final report;
- 2) allow sufficient time for a decision as to the disposition of residual material; and,
- 3) allow time to prepare a "crash" proposal for a new evaluation program.

No additional funding is required as a result of this request for extended time.

Very truly yours,

25X1

Project Administrator
